Re: Dept. of Vital Records and forms

Recently, the Dept. of Vital Records has added forms to the list of those that the Clerks of Court and attorneys will need to print. Per the Dept. of Vital Records if the form is on the website it is out of print and can no longer be ordered the form will have to be printed by the Clerk or attorney.

The forms the Clerk of Court or attorney will need to print are:

- Legal Change of Name
- Adoption Report
- Abstract from Court determination of Paternity
- Report of Dissolution

The forms can be accessed through the Department of Vital Records website:
